Description

Please, answer thoughtfully. Your responses might help to make necessary adjustments to the course. You will have only one (!) submission to each question. Ignore any check marks (or the absence of a mark), all answers are equal (as long as NOT RANDOM!). Please, read all the provided answers before choosing yours, the answers might be randomized. Please, note => each question can be answered only ONCE!

Instructions

This survey has 20 short questions.

1. 0/1 points

Q1 [3230554]

On a scale from 1 (strongly disagree) to 9 (strongly agree) how would you assess this statement?

"I am very good at physics!"

Please, use the scale from 1 (strongly disagree) to 9 (strongly agree), or select 0 if you are not sure.

- 1. Strongly disagree (meaning, you think that you are very bad at physics!)
- 2.
- 3.
- 4.
- 5.
- 6.
- 7.
- 8. Almost agree
- 9. Strongly agree (meaning, you think you are very good at physics!)
- 0. I would rather skip this question

2. 0/1 points

Q2 [3323680]

what is your course workload this semester?

- I take only this course
- I take 1 more course
- I take 2 more courses
- I take 3 more courses
- I take 4 more courses
- I would rather skip this question

3. 0/1 points

Q3 [3332871]

While taking this course do you also work (including any volunteering)?

- I do not work, I only study
- I also work up to 5 hours a week
- I also work 5 to 10 hours a week
- I also work 10 to 15 hours a week
- I also work 15 to 20 hours a week
- I would rather skip this question

4. 0/1 points

Q4 [3230544]

have you taken any physics course(s) before, and if yes - how many years ago?

- I have not been taking any physics courses before this semester
- I took a physics course 1 to 2 years ago
- I took a physics course 3 to 4 years ago
- I took a physics course more than 4 years ago
- I would rather skip this question

5. 0/1 points

Q5 [3230545]

have you taken any calculus or AP math course(s) before, and if yes - how many years ago?

- I have not been taking any calculus or AP math course(s) before this semester
- I took a calculus or AP math course 1 to 2 years ago
- I took a calculus or AP math course 3 to 4 years ago
- I took a calculus or AP math course more than 4 years ago
- I would rather skip this question

6. 0/1 points

Q6 [3230546]

comparing ALL undergraduate courses you have been taking over your life time, would you expect this physics courses to be ...

- much harder than the average course from the past
- a little bit harder than the average course from the past
- practically as hard/easy as the average course from the past
- a little bit easier than the average course from the past
- much easier than the average course from the past

Q7 [3230547]

What is the single (!) most important outcome of this course for you?
(note: the next question will ask you about the second "most important" outcome)

- better understanding of the physical world
- having a fun Summer
- making new friends
- getting the highest grade possible
- becoming more confident in math and physics
- bragging to friends of taking physics
- get prepared to MCAT
- something else (none of the above)
- I would rather skip this question

Q8 [3230549]

What is the second most important outcome of this course for you?

- better understanding of the physical world
- having a fun Summer
- making new friends
- getting the highest grade possible
- becoming more confident in math and physics
- bragging to friends of taking physics
- get prepared to MCAT
- something else (none of the above/below)
- I would rather skip this question

Q9 [3230552]

On a scale from 1 (strongly disagree) to 9 (strongly agree) how would you assess the following statement?

"I am confident that for this course I will receive the grade I want"

Please, use the scale from 1 (strongly disagree) to 9 (strongly agree), or use 0 if you are not sure.

- 1. Strongly disagree (meaning, you think you will definitely not receive the grade you want)
- 2.
- 3.
- 4.
- 5.
- 6.
- 7.
- 8. Almost agree
- 9. Strongly agree (meaning, you think you are 100 % confident)
- 0. I would rather skip this question

10. 0/1 points

Q10 [3230555]

A am confident that my final grade will NOT be less than ...

(meaning, you are sure your grade will be at least ... or higher)

- A
- A-
- B+
- B
- B-
- C+
- C
- C-
